## PETER KIRKWOOD Commodore

### Report from the Commodore

We had a very successful launch of the fleet this past Saturday- big thank you to all members who participated. Nice to get the job done all in one day!

The board passed a motion at our last meeting to limit the area on the patio where members can smoke or vape to an area to be marked off on the east side of the deck near the door. No smoking signs will be posted in all other areas and will be enforced.

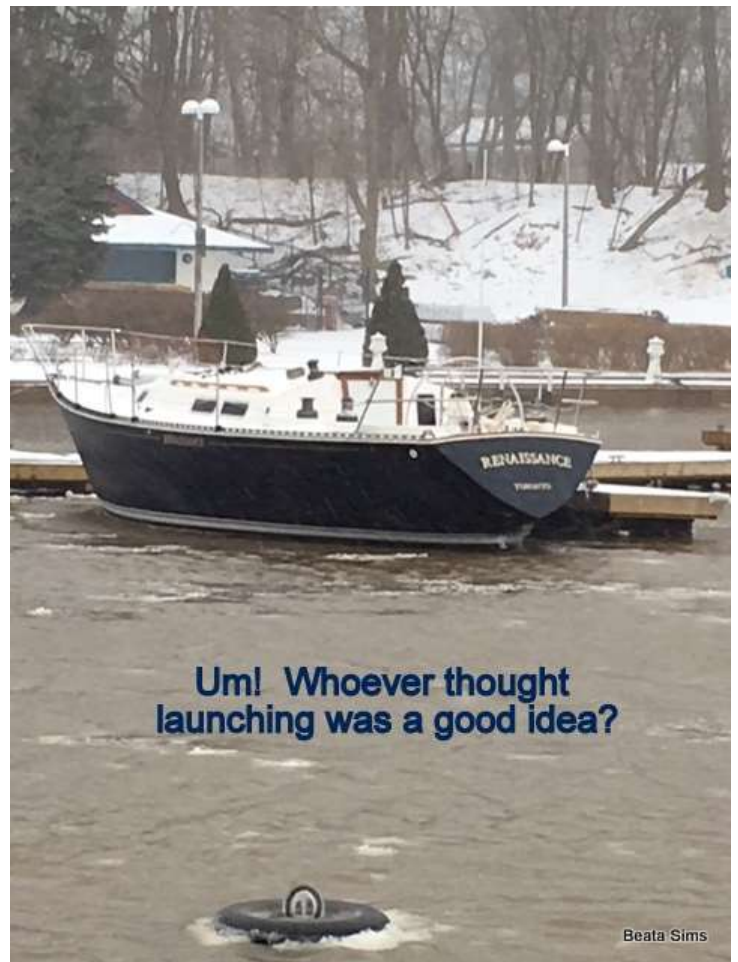

So great to see club activities starting up in earnest. Sailing school, club racing etc. Please check the calendar and participate in the events of your choice. Please note Sail Past is set for June 9. Come and salute your commodore!! We will have the blessing of the boats and weather permitting, we will be able to actually sail past.

The town marina office is advertising a flare disposal day for May 12 – something to keep in mind.

Be safe on the water, have fun and cheers to a great summer!

*Peter*

## REINIER VAN DER WAGON Vice Commodore

Before launch it was good to see Grad Dewar, Mike Mills and Dale Ward take it upon themselves to empty the garbage bins in the yard. Yes, these things are always overflowing until someone takes the initiative to empty them out. That's the spirit of a self-help Club! Thank you, gentlemen.

Our launch is over and although it was damp everything worked out well. This was due to a great team effort of the Launch Work Party under the leadership of Rob Watt, Steve Kernohan, John McMullen, and Adrian Hanley and valuable assistance from Chris Burcher and Richard Bissonnette. A big thank you to Barbara Keeley-Watt, who organized coffee, hot chocolate and eats throughout the day from Tim Hortons, to Tim Hortons in Bronte who provided a large part of their product for free, to Joan Spares and her team, who organized a great lasagna, salads, garlic bread and cookies for lunch, and finally to Stein Pederson, for organizing the House and cleaning up our mess once we were all done.

You will notice that we are trying out a different layout of the yard for the sailing season. Ron Barr has taken the lead on this. The aim of the change is make both ramps, the visitors' dock and the mast crane easily accessible to all categories of our members. It is a *change* and we all know that for most of us it takes time to adapt to change. We appreciate your patience and cooperation and are happy to receive your constructive criticism as we try to fine tune it. Should it turn out that the new layout is not an improvement, then we can always go back to the previous one.

On Sunday after the launch, we had a yard clean-up. Thank you to the team that showed up – James Roper, Cam Watt, Andrew Leslie, Barbara Keeley-Watt, John McClay & Son, Victor Grimble and others whose names escape me at the moment (no disrespect meant if I forgot to mention you – only my old age creeping up on me). The lawn that was destroyed by the Bobcat was levelled, reseeded, fertilized and watered. Please take care when you do things in this area.

Please come and collect your cradle pads, cradle bits and pieces, ladders, covers, blocking, etc., as soon as possible as they will be moved closer to the garbage bin and out of the yard in the next few weeks. If you want to store *anything* in the yard, fill in an application or make an arrangement with me or Ron Barr and pay the fees, thank you.

Your CKP sub-committee have been hard at work and have painted, installed padding and numbers on the racks. It looks better and will be gentler on the craft that are stored in the racks and it will assist us to keep track of who is storing with the club. Maybe we can start planning to do something similar with our mast rack.

Barbara Dermott, Stewart Wigg and Mary Johannesson have volunteered to be on the Gardening sub-committee. Gardening implements are being organized and we hope to take a run at some of the flower beds on Saturday, May 5, 2018. A call is out for volunteers to do a couple of hours on that date starting at ten. There will be many to follow.

Training for those who want to operate the mast crane and who have not received this training in the past will have to attend a one-hour presentation on a Saturday morning. Schedule to be announced shortly. In the meantime. Please feel free to ask qualified members to carry out hoisting for you if you need to step your mast.

Remember to contact me if you have any questions.

**Reinier**

[vicecommodore@bhyc.on.ca](mailto:vicecommodore@bhyc.on.ca)

## BARRY JASPER Rear Commodore Sail

Welcome to spring everyone, looking good, lots of masts springing up down both sides of the creek.

Thanks to Cam and Jamie busy monitoring the club race registration and racing website that we all rely on, throughout the year.

Club racing is ready, the NOR and the SI's are posted and registration is well underway, still a lot of procrastinators. If you have not done so, and expect to have a fleet to race against, better get the lead out, go to the schedule button on the website, and please register on line.

**PHRF certificates** will be available in due course and can be found at [www.phrf-lo.com](http://www.phrf-lo.com)

I have race class flags, if anyone needs them, see me after the first club race or at the Special meeting.

Racing opens with the **Ice Breaker**, May 5<sup>th</sup>, this race is open to anyone that is ready, registration and instructions are on the website.

Planning is continuing for **Bronte Rocks**, see Mariella Carvallo if you are able to help on the committee.

**GHYRA Regatta Week**, June 30<sup>th</sup> to July 5<sup>th</sup>, registration is open on line, via the facebook page, or see Chris Burcher for more information.

Scheduling is still underway for **TGIF races**, please see Mike Mills if you can help out organising these fun races.

Many thanks to Mike Paulson, for putting together the **cruising schedule**, the first cruise is May 19<sup>th</sup> to RHYC.

All the races and regattas, from here and around the lake, are on the BHYC website calendar, so you can plan your whole season out easily.

There will be an additional, joint **OYS, OC, BHYC, Oakville challenge cup series**, which will include 5 races. Two Sundays in June hosted by OYS, two Sundays in September hosted by BHYC, and the Easter Seals race.

The first race will be May 27<sup>th</sup>, I will circulate and post details and SI's, as soon as I receive them from OYS.

Most important, mark in your calendar, **June 9th will be the annual Sail-Past**, and the blessing of the fleet. An opportunity to celebrate the privileges that we take for granted, the challenges and rewards of being out on the water. A chance for the cruisers and racers and power-boaters to rub shoulders, with each other, and the visiting dignitaries from our area.

See you all on the water.....

*Barry*

## IAN CONEY Membership Director

I'm back from my heart surgery in February. Just waiting for the all-clear from the surgeon to resume normal activity. That should happen the first week of May. From then I hope to get back up to speed as quickly as possible.

I would like to thank all those who so ably took care of Memberships while I was recuperating. Richard and Peter you guys are wonderful!

Cheers,

*Ian*

## Bronte Harbour Yacht Club

### New Year, New Us

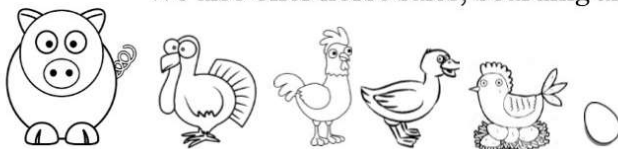

We're busy gearing up for a great 2018 season, both on the water and on the farm. This year we're going to do something a little different, we'd like to feature a recipe every month that is a tried and true favorite or simple boat made meal. As a lot of you know we do a lot of cooking on board, both for cruising and racing. We only use what we have raised here on the farm (minus the occasional Pogo).

This year we will be raising pork, chicken and lamb. We can do custom grows if you contact us soon otherwise we will have a number of packages as well as individual cuts available. We have just gotten back our 2018 pork and have a bit of everything available.

Call Sara at 289-242-3462, Jamie at 905-580-5699 or come visit us on Flash or Escape Pod.

E-mail [lighthouse.stables@gmail.com](mailto:lighthouse.stables@gmail.com)

We also offer horse sales, boarding and farrier services

## PETER WELLS Rear Commodore of Training

We had a successful Learn to Sail open house on the 7<sup>th</sup> of April, registration is going well, and we are at about the same level as last year. The club was successful in getting a grant for some of the instructor wages from the Federal Government which will help the Sailing School financial situation significantly.

We are in the process of preparing the C420 dinghies and some of the coach boats for use by the Ontario Sailing Association for their Instructor Training program which starts on the weekend of the 5-6<sup>th</sup> of May. This program will be operating out of the club until the end of June except for the Sail Past weekend and provides another welcome source of income for the club.

The racing team will start training during the second week of May and there are two regattas which the team will enter at the end of the month. We have received delivery of our new Zim C420.

We will be running the Home School Program during the month of June where youngsters who are home schooled learn to sail in Optis two afternoons per week for the month.

I would encourage any members who have children or teenagers (includes grandchildren, nephews and nieces) who want to learn to sail to register them in the Learn to Sail program as soon as possible as some of the sessions are almost full already. Don't forget to get the code for the member's discount of 15% which can be obtained by talking to myself, Ally Dandy our head coach or is kept behind the bar.

*Peter Wells*

[rctraining@bhyc.on.ca](mailto:rctraining@bhyc.on.ca)

## DON HARKNESS Treasurer

Proposals from a number of audit firms were received following the issuance of a Request for Proposal. A motion was made at the spring meeting to change auditors for the 2018 year end and approved by the members.

We are in the process of reconciling volunteer hours worked to the membership requirements for 2017. Any members who appear to be short hours will be contacted prior to being issued an invoice. As a reminder all membership categories with the exception of Junior, Crew and Out of Town are required to volunteer 25 hour per year or pay \$35/hr.

For 2018 we will be updating each member's volunteer hours in the late spring and again in the early fall to ensure each of you has an updated record of the volunteer hours you have submitted. Please be sure to submit your hours on a timely basis. Hours can be submitted online through the club website (preferred method) or by completing a paper form available from the bar.

BHyc is a volunteer club. Our only paid staff are bar servers and sailing school instructors. All other activities and services provided by the club are performed by member volunteers. There is no shortage of tasks to be completed throughout the year which cover a wide spectrum of member interests and talents. If you have any concerns about how to complete your volunteer hours, please speak to any member of the board of directors who will be happy to help you find a spot to volunteer.

# Oakville Power and Sail Squadron

## EXPIRED FLARE COLLECTION DAY

Are the Flares on your boat Expired? Dispose of them safely and in an environmentally friendly manner at this event for FREE!

Just bring them to this event with you.

SATURDAY MAY 12, 2018

9:00 AM – 3:00 PM

PISCES MARINE

441 WYECROFT RD

OAKVILLE, ON

### Added Features at this Year's Event

#### New this Year! - Fire Extinguisher Inspection and Certification

Bring your fire extinguisher to our flare day and have them inspected and certified on site for \$5.00 per unit by Fire Alert ([WWW.FIRE-ALERT.CA](http://WWW.FIRE-ALERT.CA)) , a qualified fire extinguisher inspection, service and maintenance firm.

If your fire extinguisher is more than 6 years old, the National Fire Code of Canada requires the unit to be inspected internally, recharged and certified. If it is 12 years old, a "hydrostatic" pressure test is required. Fire Alert will be able to do these inspections/tests on site and have your older unit certified, often for less than buying new one.

You can find the year of manufacture stamped on the metal base of the fire extinguisher or in the label on the side of your unit. Inspecting and certifying your fire extinguishers will help ensure they will operate properly when you need them!!

### Boating Skills Virtual Trainer

This was a big hit last year and it will prove to be so again this year. Come and try your hand at the wheel through several challenging modules including: docking, slalom course and trailering your boat. This simulator is sure to test your skill and ability.

## The Power of the word “Starboard”

“Oracle” (AC35 length 55 feet) vs “Flutterbye” (BER1127 OPT I length 7.7 feet)

It has been quite a while since D’Arcey (Hilgenberg) Betschart has been at BHYC. Those members who remember her, know her as an active sailor and a kid always hanging out at the club. Eventually she taught sailing to club members and their children. Today D’Arcey and Roger have a beautiful 12-year-old daughter, Rachael, who is totally addicted to sailboat racing. Santa brought her an OPTI when she was 8 years and today she is seriously into racing, but her Mom ensures that she keeps up her violin playing and that she continues to work on receiving her black belt in Karate.

In June 2017, Bermuda, which is D’Arcey’s home now, hosted the American’s Cup 35. Herb and Brigitte, D’Arcey’s Mom and Dad, enjoyed the racing and various activities along with the tourists and locals. On the last day of competition, the remaining contenders were The Emirates Team NZ and Oracle U.S.A. During intermission, before the finale, the contenders did their last-minute checks, while the Bermuda sailing Kids, in the meantime, entertained everyone with their OPTI competition. There was this one little OPTI, BER1127, that happened to be on a collision course with Oracle. Rachael, being an “almost seasoned” racer, figured Oracle was getting too close for comfort, so she hollered “Starboard” to the Oracle skipper, who duly changed course and gave her right of way. Oracle made a 360 and pulled up next to her for a quick chat and a good luck in her race. Rachael has been friends with the crews of all contenders, (like Mother, like Daughter). The photographer is Sam Greenfield from the Oracle chaser boat. On the way home, Rachael said to her Grandmother, Brigitte: “Nana, I had right of way, so I called on them. Those are the rules!”

Note: Rachel did reasonably well in Argentina - upper 30s out of 190 boats and has competed in Uruguay.

Article submitted by Natalie Bullard

## Annual Darts Challenge 2018 We Are the Champions

The BHYC sharpshooters were under intense pressure leading up to the annual darts challenge between BHYC and Lakeshore Yacht Club. Ownership of the challenge trophy has see-sawed since inception with both clubs winning it about the same number of times. It should have been our turn to win last year, but the darts deities were unkind to us. With additional practices leading up to the challenge event, the stage was set for the darts version of March Madness with the BHYC sharpshooters determined to be this year's champions.

On Sunday, March 4th, BHYC hosted the first round of the challenge. "Show no mercy" was our mantra. As reigning champions, the LSYC teams arrived looking very confident. They left looking very dejected. We lived up to our mantra and had a commanding ten game lead at the end of this first round. We were certainly the winners in the delicious food category too. Steve and Dan showed off their culinary expertise in providing the main course. Graham's fudge was a much sought-after treat. Big thanks go to everyone who helped with the set up and clean up – it was a terrific team effort.

On Sunday, March 25th, LSYC hosted the final round of the challenge. While we were buoyed by the ten-game lead, the LSYC teams had home advantage – their boards and their game. We knew we would be in for a hard-fought contest. LSYC whittled away at our lead until a mere two games separated us at the half-way point. However, this year the BHYC sharpshooters would not be denied victory and we won the challenge by six games.

Our champion BHYC sharp shooters are: Elsa Beattie, Graham Beattie, Diana Bissonnette, Mary Ellen Bockler, Sandra Brans, Barb Dermot, Rona Devreese, Grad Dewar, Steve Firth, Jimmy Grant, Phil Gelsheimer, Pat Jeffrey, Dan LaFerriere, John McMullen, Brian Miller, Mike Mills, Mike Paulson, Dave Platt, Jim Pollock, Sam Spares, Phil Spink, Renate Weidner and Bob Yorke.

In handing over the trophy, Rob Trumble of LSYC, made a gracious speech which included a friendly warning that LSYC would be looking to take back the trophy in the next challenge series. No problem – the BHYC sharpshooters will be ready to foil that plan.

Submitted by  
Graham Beattie and Sandra Brans

## Spring Arrived & Finally Launch Preparation started!

# Annual Darts Tournament

## JOAN SPARES Social Director

April was a quiet month for Social activities as some of us attempted to get our boats ready (amidst the cold, snow and an ice storm!). Thanks goes out to Paw Prints, Passage, and Lola for hosting Friday night apps this past month. Our last appetizer night of the season was April 27th with Social "raiding the donation jug" to provide members with a combination of hot and cold apps. See you again next winter when we will restart our Friday night appetizers!

Towards the end of May, an email will be sent out regarding Sailpast; this year we would like to serve a Sailpast dinner. Doing so will mean that we will require a few talented chefs at the BBQs as well as other volunteers. A minimum of 25 to 30 members attending is necessary in order to make the dinner a successful (and fun!) event. Please keep this in mind as you plan your Sailpast day!

Meanwhile, here's to a great boating season!!!

### CORMEAL CASSEROLE (Kristen Rowley)

1/2 cup melted butter  
2 eggs, beaten  
1 (8.5 ounce) package dry corn bread mix  
1 (15 ounce) can whole kernel corn, drained  
1 (14.75 ounce) can creamed corn  
1 cup sour cream

Preheat oven to 350 degrees F and lightly grease a 9x9 inch baking dish. In a medium bowl, combine butter, eggs, corn bread mix, whole and creamed corn and sour cream - spoon mixture into prepared dish. Bake for 45 minutes in the preheated oven, or until the top is golden brown

## SKIP THE DISHES!

As sailing (and racing!) season approaches, you might want to take advantage of various menus that our local restaurants offer. If you are not already familiar with "Skip the Dishes", you can look it up and learn more about it:

<https://www.skipthedishes.com/oakville/restaurants>

Many restaurants in and around Bronte use this service and for a very reasonable delivery fee. Here is a list of some of the closest restaurants, many of which charge less than \$4 for delivery! Simply order online with Skip the Dishes and have your food delivered to the Club!

**Hero Burgers** - Lakeshore Road West Bronte

**Pizza Pienza** - Lakeshore Road West Bronte

**Zara's** - Bronte Lakeshore Road West

**Anora's** - Lakeshore Road West Bronte

**Nonna's Oven** - Rebecca at Lakeshore Woods

**South St Burger** - Burloak Drive, across and North from near Tim Hortons

**Freshii** - Burloak Drive, across and North from near Tim Hortons

**Kelsey's, Chorizo, Swiss Chalet, Montana's and Milestones** - all in the Riocan Plaza on Burloak at the QEW

# **VIP SAILING WEEK**

## **BRONTE HARBOUR YACHT CLUB**

Our Club's biggest community event every year and once again we are looking for skippers, boats and crew to help on the water, in the clubhouse and at Fifty Point (with any luck). Once again Email sign-up is the only way to register; [vip@bhyc.on.ca](mailto:vip@bhyc.on.ca). You will receive a confirmation from Ole Sigvardt. Please come out, help and pray for normal water levels.

We invite visually impaired people from all over the GTA for five days of fun day-sailing, a cruise to Fifty Point Marina and a day of racing. Participants learn the fundamentals of sailing on 30 foot keel boats, seamanship basics, and some basic racing techniques. The week ends with a race around audible marks.

**Bronte Harbour  
Yacht Club hosts

[vip@bhyc.on.ca](mailto:vip@bhyc.on.ca).

**BARBARA KEELEY-WATT**  
**Publicity Director**

A huge thank you to Dermot Fogarty, Tim Horton's Bronte, who kept us topped up with Hot Chocolate & Coffee on launch day.

BHYC has been selected to paint a Muskoka Chair which will be displayed in Bronte Village over the summer months. Looking for volunteers to paint the chair. The design is done, now we just need the creative painters to get to work!

Our Open House -Boat Gear Yard Sale is May 26 – Look out those boat bits and pieces you're not using and book your table. BBQ Burgers & Beer \$10.00 Lunch – we need 2 volunteers to help out with the BBQ.

Thanks to everyone who placed an online order for the BHYC 2018 Regalia. This is our first online custom regalia order; and so far, so good, our plan is not to hold any inventory at the clubhouse. For those who did place an order watch your inbox, we will advise when your regalia is ready for pick up at the club. Expected delivery is before Sail Past.

Check the online calendar for regular updates on club activities.

Have a good May everyone!

*Barbara*

[publicity@bhyc.on.ca](mailto:publicity@bhyc.on.ca)

**MIKE PAULSON Cruising**  
**Director**

I'm writing this after the most beautiful weekend in months. It seemed as though everyone in the club were in the yard working on their boats. There are just five days to launch and you can feel the anticipation in the air.

We had a fantastic cruisers pot luck dinner on the 7th April. Approximately 45-50 people attended and several of them filled out the signup sheets for the 2018 cruises. Special thanks to all the members who brought food, appetizer's, mains and desserts. It was all delicious. Also, thanks to Dave Platt for putting together a cruising video which was enjoyed while we ate and socialized.

We are still working on organizing more for later in the year and as we finalize them we'll send out a notice.

The cruise to RHYC on the Victoria long weekend may have to be changed, I have heard reports that the RHYC docks were damaged during the recent storms. I'm waiting to hear from them and when I do I'll send out a notice.

I think that's all the news for now, everyone have a safe launch,

*Mike*  
[Cruising@bhyc.on.ca](mailto:Cruising@bhyc.on.ca)

**STEIN PEDERSEN House**  
**Director**

The carpets have just been cleaned, more spring cleaning to do...baseboards, fixtures.

Graham Beatty graciously donated two bar stools. I noted that many members took almost immediate advantage of them.

Mike Mills has volunteered to examine the washrooms and suggest must do items, items that should be done soon, and items that would be nice to do. All of this will go to the board for approval.

House is investigating the replacement of existing deck furniture, stay tuned for updates.

We had a wine tasting on launch day, I am waiting for the results, you may see some different wines in the club. I have a feeling that we should move toward a few house wines and the rest to be sold by the bottle. I am looking for feedback on this.

Other than that, wait for sailpast, club BBQ?

*STEIN*

Helping Kids with Physical Disabilities Succeed

# Oakville Club Open Regatta

Saturday August 18, 2018

**Come to Oakville!**

Join us for one of the best 1-day regattas on the lake!

Last year was so great, we thought we'd do it again.

**A true OPEN regatta!**  
**NO ENTRY FEE!**

**Enjoy:**

- Great racing!
- Great prizes!
- Our famous gourmet BBQ!
- Our great post racing social with live music poolside!

This year's grand prize is FOUL! That's right! A complete set of foul weather gear for you and your crew, personalized for your boat!

Someone always needs new foulies!

Register before June 30<sup>th</sup> and receive an early bird gift, a set of OC Regatta wine glasses personalized for your boat name.

**Come for the racing, stay for the party!**

Join our Facebook group at [www.facebook.com/ocregatta/](http://www.facebook.com/ocregatta/)

**GHYRA**
