The cold weather is upon us and the season wrap up is complete. Coach boats have been covered and winterization is done. Thanks to all for the assistance.

In preparation for the 2020 season we are looking for a committee to assist with the fleet before launch. Watch your email or drop me a line if you are interested in helping out. Items to be addressed include cleaning, painting and a little trailer maintenance.

We are still looking to refresh our image and in doing so are in need of assistance with the officer of the day program so once again anyone that has some time please let us know

Happy New Year to all and I'm looking forward to seeing you on the water in 2020

BARRY JASPER RC SAIL

A New Year's wish for you all; may it be healthy and prosperous.

And, one for BHYC; may the 20-20 vision, enable us to see our way clearly towards a healthier more prosperous place.

The sailing calendar for 2020 has been populated and is live on the website.

The winter activities will involve, thanks to Peter McDougall, a series of Sailors nights, culminating in Race registration and crew get together supper on April 23rd.

The series starts Jan 9th, with the Panama Canal, it's history, construction, and cruising presentation by 6 BHYC members.

Followed on Jan 23rd, by Canadas Cup 1978, The Evergreen Story, from construction to celebration on video, narrated by Ron Barr.

Then on Feb 6th, Cruising the north channel, big cruising in a small boat, presented by Cam Watt.

Cruisers—Mike Paulson's cruising group have started to populate the cruising schedule.

Meanwhile work will be commencing on planning for Bronte Rocks.

Natalie Bullard's group are already organised for Easter Seals.

GHYRA Week—Chris Burcher's group, have plans in place for GHYRA 2020. This is a fun week for both racers and cruisers. If you are up the challenge of a week on the water, with a different host club every night, come along on February 8th to the 2019 Regatta 8th night party, to be held at BHYC meet last year's participants, ask questions and be in on the reveal for this year's route and schedule, and the ceiling for total numbers. GHYRA Registration will open the following day.

SAILORS' NIGHT

Sailors' Nights begin Thursday January 9th at BHYC every second Thursday evening at 7:00 PM alternating with the Thursday Games Nights.

Again, this year, I will be organizing the Sailors' Nights and I have a few presentations already being prepared. I would ask any member that may have an interesting sailing subject to share with us, to please contact me. As well, if you have a suggestion for any such presentation, please contact me. Many of our members have considerable expertise or have experienced interesting events that could certainly be of interest.

Jan 9th Construction and history of the Panama Canal and trip through it by BHYC members. The elaborate history and impressive engineering that went into the construction of the great Panama Canal will be presented in a very inter esting film. As well, 6 of our BHYC mem bers who cruised the canal last year will share their experience.

Big or small we can handle them all, from major refit to small gelcoat repairs.

PETER FULLER HOUSE DIRECTOR

I'd like to thank everyone for getting us through the holiday season. The social committee were very busy and hosted several events, throughout December. The popular Carol Sing, and a fabulous New Years Eve party.

Friday Appetizer nights will return shortly, Friday evenings at the clubhouse are always popular, stay tuned for details. There is a social something for everyone during the week at the clubhouse for everyone who wants to be social and pass the winter months, check the online calendar and find the event that interests you.

We are starting the planning process for race night food we are now soliciting ideas for race night food, the parameters are easy, cheap and not labour intensive. In the past we have made pizza, brought pizza in, hired a caterer, brought in firehall wings, had in-house catering and had impromptu pop up BBQ's. All options are on the table, consistent, reliable are the key. Please email me your house@bhyc.on.ca ideas & suggestions at house@bhyc.on.ca.

Also, we are soliciting ideas for bar design, yes really. The glass racks and painted particle board has seen better days. There is no budget for this and an it may not happen with any great haste, but without ideas and a plan, nothing happens.

I like to thank everyone for their patience while I get up to speed on all the tasks required and thank Peter Howard specifically as he does keep the place operational.

To reserve the clubhouse for an event please email Reservation@bhyc.on.ca

Welcome to 2020 folks . It's your clubhouse , tell me what vou need it

Chicken is Here!

Chicken is here! We have farm raised chicken available in pieces. Frozen and vacuum sealed. Contact us to send a price list and availability. We will be doing a group of full chickens later this summer. Taking orders for pork halves and wholes as well as lamb halves and wholes. Pork half is about three wine boxes and half lamb is about one. They will be ready in the fall and can be custom cut.

Chicken dry rub: you can either put the rub on at home and keep in a zip lock bag or mix it and put it on before grilling (or baking or frying). Mix 1tsp paprika, 1 tsp cumin, 1 tsp onion powder, 1\2 tsp garlic powder, 1\4 black pepper, 1\2 tsp seasoning salt and 1/8 cayenne powder (optional). Brush chicken with olive oil or even just pat on dry. Does enough for two chicken breasts or similar. Adjust spices to your own personal taste.
